

ARCHITECTS & INTERIOR DESIGNERS

A build partner your drawings can rely on.

I trained as an architect before moving into construction, so I understand what a drawing is trying to achieve — and what it takes to get there on site without losing the design intent.

RECENT PROJECTS

Blenheim Drive, Summertown

Marlow, Buckinghamshire

Wyndham Way, Summertown

Maida Vale, London

CRAFTSMANSHIP — RECENT KITCHENS

Sage green bespoke kitchen

In-frame kitchen, brass hood

Navy island, marble worktop

01

Design Intent, Protected

I read a drawing the way you do — junctions, tolerances, material transitions.

02

One Point of Contact

No rotating site managers. I'm on site personally, throughout.

03

Buildability Input

Happy to review drawings ahead of tender, flagging issues early.

04

Proper Sign-Off

Building Control coordination, guarantee and full documentation.

SPECIFICATION → PROCUREMENT TO SPEC → REGULAR SITE CONTACT → SNAGGING & HANDOVER

How we work together, from early engagement through to completion

“A reliable firm who project-managed and executed a high standard refurbishment of our property. Honest, cooperative and a team of real skill and knowledge.”

— Lafina, W2, London

Where We Work: Oxfordshire, the Cotswolds, Buckinghamshire and Greater London
